## Internal Hackathon 2022 Report

- **About the Event**

The Internal Hackathon of Government College of Engineering, Aurangabad was organized on 22nd March 2022.

The program began with the introduction of jury members - Sushama Subodh Agrawal, Ms. Anjana N. Ghule, Dr. Anil Renukadas Karwankar, and Dr. Vivek Kshirsagar by the single point of contact for Smart India Hackathon Ms. Chitra Gaikwad. Also, we explained the selection criteria/Judging Process. The program continued with the presentation of all teams. Each team was given 15 minutes for each problem statement. The presentation was divided into 3 parts,

- a. Team introduction
- b. Problem statement and solution explanation
- c. Counters and suggestions by the jury members.

The teams were energetic and enthusiastic for the hackathon they came up with innovative and interesting solutions for the problem statements. The presentation of some teams showed the research and time they spent on the solutions. Some teams also came up with UI designs that what their final solution will look like.

The Certificates were distributed to the selected teams by the hands of our Principal Prof. U. J. Kahalekar.
